

# AT A GLANCE

### Battery Hire

We believe that the battery hire principle provides the most affordable, reassuring method to own an electric vehicle. As part of the battery hire agreement we provide a guarantee in terms of the battery capacity throughout its motoring life. In addition, we will arrange recovery of your Kangoo ZE in the event of breakdown or loss of energy. For further advice visit your local Z.E. Expert Dealer.

### Charging

There are three types of charging currently available.

**Standard charge** – through a charge post at home or at work. A full charge from empty will take six to eight hours. You can also charge your vehicle using a **standard 3-pin socket** (10 to 12 hours for a full charge) with an EVSE cable, available as an option with your Z.E. This should be used on an occasional basis. Finally, **fast charge** which will give you 80% of charge from empty in half an hour. The Kangoo Van Z.E. is currently available with standard charge.

The simplest, safest and cheapest way to charge your vehicle is usually overnight. We recommend using your own specific charging point, with the cable supplied with your vehicle. British Gas is our preferred partner in this method, and they offer a complete package (including supplying the charge point, installation and 3 year warranty) at competitive prices.

### Financial advantages

The UK Government supports the electric vehicle by offering a grant of 25% of the total value of the vehicle, up to a maximum of £5,000. This is currently only available on cars. On top of this, road tax and fuel duty are all zero, and you'll get other cost exemptions too, such as no London congestion charge. Company car drivers enjoy a 0% benefit in kind tax rate, and you're also entitled to claim a 100% first-year allowance against corporation tax.

### Maintenance and warranty

The electric powertrain has a 5 year/100,000 mile warranty. Renault Z.E. cars come with a 3 year/100,000 mile warranty. Maintenance is designed to be minimal, but varies according to model and mileage. Just ask your Renault dealer for more details.

## KANGOO VAN Z.E. PRICE GUIDE

(Enter Renault's world at Sky Guide 883 and [www.renault.tv](http://www.renault.tv))

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications, equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised. Publication date September 2011.

CHARTERHOUSE SEPTEMBER 2011. PART NUMBER 7701 380 751

DRIVE THE CHANGE

## RENAULT ELECTRIC VEHICLES

### A COMPLETE RANGE COMING SOON

Starting this year there will be a groundbreaking range of electric vehicles, from nippy town cars to a comfortable family saloon and a small van. They will be affordable to run – you will be able to drive an average of 100 miles using a battery that costs typically £3 to charge, and a lot less using cheaper tariffs. And you'll get other cost exemptions too, such as no London congestion charge.

You can already book your Renault Fluence Z.E., Twizy, Renault Kangoo Van Z.E. and Renault Kangoo Van Maxi Z.E. right now, and ZOE will be available soon. The future is already here, so now is the right time to step into the age of electric!

For vehicle reservations and updates, visit:

60 month	£60	£62	£74	£87

Prices shown above exclude VAT

## BATTERY HIRE INFORMATION

Additional combinations of terms and mileage exist, please enquire.

The battery hire agreement provides a guaranteed minimum charge capacity of 75% of the original capacity at delivery, and recovery services in the event of all types of breakdown including energy breakdown.

The mileage and term of the agreement may be amended by agreement at any time until 3 months before the end of the hire agreement. Any new monthly payment will reflect the prices shown above. If the revised payment is less than the original payment then the credit will be offset against future payments. In the event that the revised payment is greater than the original payment you will be charged for such additional costs up to the date of the change to the terms. Excess mileage is charged at 4p per mile. In the event that the agreement is terminated early additional charges may apply.

Please refer to the full terms and conditions.

*Finance and hire facilities are provided by RCI Financial Services Limited t/a Renault Finance and are subject to status. A guarantor may be required.*

# WHO BETTER THAN RENAULT TO LOOK AFTER YOUR RENAULT?

## RENAULT Z.E. EXPERT NETWORK SERVICES

No-one is better placed than Renault to maintain, fit and repair your Renault electric vehicle. Our Z.E. Expert dealers are trained to answer all your questions and give you all the support you need on your electric vehicle journey.

## BATTERY HIRE

When buying a Renault electric vehicle you hire the traction battery through Renault Finance. This contract includes a guaranteed level of battery performance, regardless of your vehicle and battery age and mileage, as well as recovery services. Please refer to the full terms and conditions.

## Z.E. SERVICES

When buying your electric vehicle why not take advantage of the additional services that are available. On Kangoo you will find Z.E. Connect, an application for your smart phone and an online site that will give you remote battery charge status (level of charge, time remaining, range available and issues with charging) and it will alert you when the battery energy is low and also keep track of your charging history.

Also available is the Fleet Asset

Management site, where the fleet manager can monitor their vehicles' locations, battery status, and how economically the vehicle is driven.

## WARRANTY

The drivetrain on your new Renault is covered by a 5 year warranty - the first 2 years of unlimited mileage followed by 3 years of cover up to 100,000 miles. The vehicle itself is covered by 3 years – the first 2 years of unlimited mileage followed by a further year of cover up to 100,000 miles.

Paintwork is guaranteed for 3 years while the anti-corrosion warranty runs for 12 years. In addition, the Renault Assistance plan (via AXA) ensures prompt help in the UK and Northern Ireland for manufacturer defects for 36 months. For full details please refer to the Renault warranty terms and conditions, available from your Renault Dealer or from [www.renault.co.uk](http://www.renault.co.uk).

## FINANCE OPTIONS

There is a wide variety of ways in which the purchase of a new car can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or a private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

## SERVICE INTERVALS

Kangoo Van Z.E. – every 25,000 miles / 2 years except for the first year – 12,000 miles.

## THE OPTIMUM PARTNER IN ELECTRIC VEHICLE CHARGING

As one of the nation's leading energy specialists and Renault's preferred nationwide charging partner, British Gas can deliver a range of charging solutions tailored to your needs.

Charge with confidence as our solutions make charging your electric vehicles more convenient, effective and safer. From single wall mounted solutions to freestanding charging posts for multiple vehicles, British Gas can install a bespoke charging infrastructure, upgrading it as the needs of electric vehicles progress. All charging solutions also come with a 3 year warranty.

For more information and to discover how your business could benefit, call us on 0800 980 8175.

## CUSTOMER RELATIONS

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Department on **0800 72 33 72** (Mon-Fri 9.00am to 5.30pm).

You can also visit our website [www.renault.co.uk](http://www.renault.co.uk) Or write to us at: **Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.**
